

Dates	9:00am to 10:00am	Main Lesson Hour (10:00am to 1:00pm)	Text Study (2:00pm to 3:00pm)	Tasks (3:00pm to 4:00pm)	Artistic work(4:00pm to 5:00pm)
May 18th	Introduction	The four fold human being (helps one define the human being in a more holistic way recognising not just the current body-mind theory but as a being of physical matter, life processes, emotions of sympathy & antipathy and the consciousness of the human individuality.	The Education of the child in the light of Spiritual Science by Rudolf Steiner unfolds the four fold nature of a human being in depth and forms the basis of designing an educational program for the first 21 years of human life, providing intricate and thought-provoking examples of practical classroom life.	Singing	Form Drawing
May 19th	Singing	The Seven-year periods literally draws out a map of childhood providing a foundation for Waldorf Education and a genuine art of parenting.	The Education of the child in the light of Spiritual Science by Rudolf Steiner	Write about your childhood memories in each of the first 7 year periods including your very first memory of life.	Wet on Wet Painting
May 20th	Singing	The Three Hs of Waldorf helps design classroom teaching through the Hands, Heart and the Head awakening the soul faculties of willing, feeling and thinking.	The Education of the child in the light of Spiritual Science by Rudolf Steiner	Plan for a classroom lesson on any theme for any class using the three-fold teaching approach.	Wet on Wet Painting
May 21st	Singing	The Four Temperaments is an apt guide to understand why children behave differently given the same environment and how one can address individual needs within a common lesson plan.	Beyond the rainbow bridge by Barbara Patterson is an ideal starter for new parents of kindergarten children and gives an over-all view on Waldorf Early Childhood Education.	Understanding Temperaments in Children	Drama
May 22nd	Singing	The Twelve Senses helps us understand what kind of sensory impressions in childhood affect us even as adults.	Beyond the rainbow bridge by Barbara Patterson is an ideal starter for new parents of kindergarten children and gives an over-all view on Waldorf Early Childhood Education.	The Rhythm of Kindergarten	Closing
